

## FREE Air Conditioning Units

Please pass on this information ASAP. Thanks.

Hello everyone, with the temperatures expected to rise even higher in the coming weeks; we have to be cognizant of our elderly in homes without air conditioners.

If you know of anyone over the age of 60 who does not have air conditioning in their home, please give them this number to call or call it for them.

Call Dallas County at **(214-819-6001)** and they will delivery and install air conditioner units for free. **THE PERSON MUST LIVE IN DALLAS COUNTY.**

If you need a smoke alarm and live in Dallas County call 211, they will install for free.

Please share this information with as many friends as possible
